

## Teaching & Learning Pathway

Our journey has included:

- 10 Principles
- Teacher and Student Charter
- Homily and Vision
- Lesson Expectations
- Observation identification and creation of the Good Practice Catalogue
- Individual Action Plan

KNOWing our students was a key focus and it was an area we all agreed an area that was vital in developing our Teaching and Learning.

The session explored how KNOWing needs to be shared and nurtured in the students.

## 7 - Progress and Data

It is vital that we KNOW our students and their pathways. It is also key that we ensure they KNOW where they are currently working at, what their target is and how to achieve them.
