

Department Curriculum Map

Department Spanish

Skills required in reading, writing, speaking and listening in the Spanish language.

- develop their **ability to communicate confidently** and coherently with native speakers in speech and writing, conveying what they want to say with increasing accuracy
- **express and develop thoughts** and ideas spontaneously and fluently
- **listen to and understand clearly articulated, standard speech** at near normal speed
- deepen their **knowledge about how language works**
- **enrich their vocabulary** in order for them to increase their independent use and understanding of extended language in a wide range of contexts
- acquire **new knowledge, skills and ways of thinking through the ability to understand** and respond to a rich range of authentic spoken and written material, adapted and abridged, as appropriate, including literary texts
- develop **awareness and understanding of the culture and identity** of the countries and communities where the language is spoken
- be encouraged to make appropriate links to other areas of the curriculum to enable bilingual and deeper learning, where the language may become a medium for constructing and applying knowledge
- develop **language-learning skills** both for immediate use and to prepare them for further language study and use in school, higher education or employment
- develop **language strategies**, including repair strategies.

GCSE Assessment criteria

AO1 Listening – understand and respond to different types of spoken language

AO2 Speaking – communicate and interact effectively in speech

AO3 Reading – understand and respond to different types of written language
