Dear Parent/Carer and Student

I wanted to write to you immediately to welcome you to The Hathaway Academy. For many of you, we are aware this is an incredibly nervous and emotional time, especially if you did not receive your first choice school.

We would like you to come and see our academy in action and have the opportunity to look around, see some lessons in progress and meet our students and staff. There will be a presentation and a question and answer session. Our SENCo, Miss Lorraine, will also be available should you have any SEND related questions.

I totally understand what an anxious time this must be, but one of the best ways to quash the nerves is to come and see the academy in action for yourself.

Please use the attached reply slip or call the academy to book your slot. The sessions will be filled on a first come, first served basis.

If you have any worries or concerns or you are unable to attend, please do not hesitate to contact me at the academy.

Yours faithfully

Fatima Rodrigues
