

Pride in Appearance

Pupil Uniform and Equipment

At the academy we believe that a smart appearance leads to a smart mind. Wearing uniform encourages high standards of behaviour and learning and stops any confusion about what is acceptable. We expect our pupils to be well dressed and to wear their uniform with pride and we ask you to continue to help us to emphasise the need for smartness.

In cold and wet weather pupils need to wear appropriate outdoor clothing. We ask for it to be taken off in lessons as they will need it as they return outside. If they wish to wear a jumper for warmth, then this **must** be a plain black, v-neck jumper. Any other garments and colours should not be worn and will be confiscated and returned at the end of the day.

In order to promote the appearance and safety of pupils' work, we ask that all pupils carry a bag large enough to house their exercise and text books and pencil case.
