Dear Parent/Carer

YEARS 7-10 CURRICULUM FOCUS AREAS SUMMER 2026

I am writing to inform you of the "Curriculum Focus Areas" that pupils in Years 7-10 can expect to develop their knowledge and understanding in across their timetable subjects during the Summer Term.

Please find below a link to the academy website that will give you a brief overview of the topics and content each subject will be delivering to Years 7-10 during the Summer Term so that you are aware of the expected learning journey for your child.

Should you require further information or detail please feel free to contact your child's individual subject teacher or co-ordinator who will be willing to assist with any questions.

Thank you for your ongoing support.

Yours faithfully

Mr Dyke
